

**Half Yearly Compliance Report
2025
01 Jun(01 Oct - 31 Mar)**

Acknowledgement

Proposal Name		Expansion of Asbestos Fibre Cement Sheet Manufacturing Plant (from 14500 T/M to 30000 T/M) by M/s Everest Industries Limited at Podanur, District Coimbatore, Tamil Nadu - Environmental Clearance regarding.	
Name of Entity / Corporate Office		Everest Industries Limited - Podanur Works	
Village(s)		N/A	
District		COIMBATORE	
Proposal No.	F.No. J-11011/342/2012-1A II (I)	Category	Industrial Projects - 1
Plot / Survey / Khasra No.	N/A	Sub-District	N/A
State	TAMIL NADU	Entity's PAN	*****7550N
MoEF File No.	F.No. J-11011/342/2012-1A II (I)	Entity name as per PAN	EVEREST INDUSTRIES LIMITED

Compliance Reporting Details

Reporting Year 2025
Remarks (if any) Oct'24 to Mar'25
Reporting Period 01 Jun(01 Oct - 31 Mar)

Details of Production and Project Area

Name of Entity / Corporate Office	Everest Industries Limited - Podanur Works	
	Project Area as per EC Granted	Actual Project Area in Possession
Private	33.29	33.29
Revenue Land	0	0
Forest	0	0
Others	0	0
Total	33.29	33.29

Production Capacity

Sr. no	Product Name	units	Valid Upto	Capacity	Production last year	Capacity as per CTO
1	Non Asbestos Fibre Cement product	Tons per Annum (TPA)	31/03/2028	0	3534	96000
2	Asbestos Fibre Cement product	Tons per Annum (TPA)	31/03/2028	360000	155200	174000

Conditions

Specific Conditions

Sr.No.	Condition Type	Condition Details
1	AIR QUALITY MONITORING AND PRESERVATION	The project proponent should install 24x7 air monitoring devices to monitor air emissions and submit reports to Ministry and its Regional Office.
PPs Submission: Complied We have installed 24x7 air monitoring devices on our site for monitoring air quality. This equipment has been installed and connected to the CPCB sever.		Date: 30/05/2025
2	WATER QUALITY MONITORING AND PRESERVATION	The water quality monitoring report should be displayed on the notice board outside the plant premises for the information of the local public.
PPs Submission: Complied We have provided a board for displaying the details of water quality outside the plant premises for the information of the local public		Date: 30/05/2025
3	Statutory compliance	The proponent shall comply with the Honorable Supreme Court Direction (year 1995) regarding occupational health and safety measures in asbestos industries.
PPs Submission: Complied We have complied with the direction of the Honorable Supreme Court (year 1995) regarding occupational health and safety measures.		Date: 30/05/2025
4	AIR QUALITY MONITORING AND PRESERVATION	Emission norms for asbestos fibre should be regularly monitored and kept less than 0.2 fibre/cc.
PPs Submission: Complied Every month we are doing stack sampling and monitoring for asbestos emission is carried out and the emission rate is kept below 0.2 fibre/cc.		Date: 30/05/2025
5	AIR QUALITY MONITORING AND PRESERVATION	Work place asbestos fibre should be regularly monitored and kept less than 0.1 fibre/cc.
PPs Submission: Complied Every shift personal sampling and monitoring for asbestos emission is carried out and the emission rate is kept below 0.1 fibre/cc.		Date: 30/05/2025

6	AIR QUALITY MONITORING AND PRESERVATION	Total particulate matter emission should be regularly monitored and kept less than 2 mg/Nm ³ in stack.
PPs Submission: Complied Regular monitoring for particulate matter is carried out the PM emission in the stack is maintained below 2 mg/Nm ³ .		Date: 30/05/2025
7	AIR QUALITY MONITORING AND PRESERVATION	Ambient air quality monitoring should be done specifically for asbestos fibre.
PPs Submission: Complied We are carrying out every month ambient air quality monitoring for asbestos fibre also.		Date: 30/05/2025
8	Human Health Environment	Medical examination should be carried out by specially designed medical respiratory questionnaire and the report should be submitted along with the 6 monthly compliance report.
PPs Submission: Complied The report of medical examination along with the six-monthly compliance report has been submitted.		Date: 30/05/2025
9	Human Health Environment	Spirometry test should be conducted every 6 months and x-ray shall be done once in year and report submitted.
PPs Submission: Complied Spirometry test and X-rays have been taken as per the stipulated period and a report has been submitted.		Date: 30/05/2025
10	Corporate Environmental Responsibility	Atleast 5 percentage of the total cost of the project shall be earmarked towards the Enterprise Social Commitment based on Public Hearing issues, locals need and item-wise details along with time bound action plan shall be prepared and submitted to the Ministrys Regional Office. Implementation of such program shall be ensured by constitution a Committee comprising of the proponent, representatives of village panchayat and District Administration. Action taken report in this regard shall be submitted to the Ministrys Regional Office.
PPs Submission: Complied Overall 6 percentage of the total budget of Everest Foundation for Enterprise Social Commitment based on Public Hearing issues, and local needs, and the action plan for the same has been submitted to the Regional office of Ministry.		Date: 30/05/2025
11	Corporate Environmental Responsibility	The proponent shall prepare a detailed ESC plan for every next 5 years for the proposed project, which includes village-wise, sector-wise (Health, Education, Sanitation, Health, Skill Development and infrastructure requirements such as strengthening of village roads, avenue plantation, etc.) activities in consultation with the local communities and administration. The ESC plan will include the amount of 2 percentage retain annual profits as provided for in Clause 135 of the Companies Act, 2013 which provides for 2 percentage of the average net profits of previous 3 years towards ESC activities for life of the project. A separate budget head shall be created and the annual capital and revenue expenditure on various activities of the plan shall be submitted as part of the Compliance report to RO, Bhopal. The details of the ESC Plan shall also be uploaded on the company website and shall also be provided in the Annual Report of the company.

PPs Submission: Complied The Enterprise Social Commitment plan for 5 years had been prepared in consultation with the local communities and administration. The details of the ESC Plan were uploaded on the company website and the same was provided in the Annual Report of the company.		Date: 30/05/2025
12	WASTE MANAGEMENT	All waste generated in the process should be used within the plant.
PPs Submission: Complied The waste like the asbestos-containing residue is reused in the manufacturing process.		Date: 30/05/2025
13	WATER QUALITY MONITORING AND PRESERVATION	Permission form the ground water board should be obtained and submitted to the Ministry.
PPs Submission: Complied We have a Groundwater NOC permission from the groundwater board for the drawl of groundwater.		Date: 30/05/2025
14	Statutory compliance	The project proponent should develop in-house facility to monitor asbestos fiber.
PPs Submission: Complied We have installed an EMC room for air monitoring devices on our site for monitoring asbestos fiber.		Date: 30/05/2025
15	GREENBELT	Green belt shall be developed in 33 percentage of plant area. Selection of plant species shall be as per the CPCB guidelines in consultation with the DFO.
PPs Submission: Complied 33 percentage of the total land area has been developed with greenbelt with indigenous native trees.		Date: 30/05/2025
16	Human Health Environment	Provision shall be made for the housing of construction labour within the site with all necessary infrastructure and facilities such as fuel for cooking, mobile toilets, mobile STP, safe drinking water, medical health care, creche etc. The housing may be in the form of temporary structures to be removed after the completion of the project.
PPs Submission: Complied During the construction phase, provision for housing of construction labour within the site with all necessary infrastructure had been provided and the same was removed after completion of construction.		Date: 30/05/2025
General Conditions		
Sr.No.	Condition Type	Condition Details
1	Statutory compliance	The project authorities must strictly adhere to the stipulations made by the Tamil Nadu Pollution Control Board and the State Government.
PPs Submission: Complied We are adhering to the stipulations made by the Tamil Nadu Pollution Control Board and the State Government.		Date: 30/05/2025
2	Statutory compliance	No further expansion or modifications in the plant shall be carried out without prior approval of the Ministry of Environment, Forests

		and Climate change (MoEFCC).
PPs Submission: Complied We are following the MoEFCC compliance for expansion or modifications in the plant.		Date: 30/05/2025
3	AIR QUALITY MONITORING AND PRESERVATION	Atleast four ambient air quality monitoring stations should be establish in the downward direction as well as where maximum ground level concentration of PM10, PM2.5, SO2, NOx are anticipated in consultation with the SPCB. Data on ambient air quality and stack emission shall be regularly submitted to this Ministry including its Regional Office at Chennai and the SPCB/CPCB once in six months.
PPs Submission: Complied The ambient air quality monitoring PM10 station has been installed in the downwind direction in consultation with the TNPCB and connected to the CPCB server. Monitoring of ambient air quality done by NABL-recognized third-party laboratory. The monitoring reports are regularly submitted to the Regional Office of MoEFCC and TNPCB once in six months.		Date: 30/05/2025
4	WATER QUALITY MONITORING AND PRESERVATION	Industrial wastewater shall be properly collected, treated so as to conform to the standards prescribed under GSR 422 (E) dated 19th May 1993 and 31st December, 1993 or as amended from time to time. The treated wastewater shall be utilized for plantation purpose.
PPs Submission: Complied The industrial wastewater is processed through decantation cones, and settling pits, and then reused again in the process. The domestic sewage generated is treated in STP and reused for greenbelt development.		Date: 30/05/2025
5	Noise Monitoring & Prevention	The overall noise levels in and around the plant area shall be kept well within the standards (85 dBA) by providing noise control measures including acoustic hoods, silencers, enclosures etc. on all sources of noise generation. The ambient noise levels should conform to the standards prescribed under EPA Rules, 1989 viz. 75 dBA (daytime) and 70 dba (night-time).
PPs Submission: Complied The ambient noise level in and around the plant area is monitored monthly (day and night) through NABL authorized third party. Proper acoustic enclosures have been provided wherever required for maintaining the noise level within the standard limits.		Date: 30/05/2025
6	Human Health Environment	Occupational health surveillance of the workers shall be done on a regular basis and records maintained as per the Factories Act.
PPs Submission: Complied Occupational health surveillance is conducted periodically and the records are properly maintained.		Date: 30/05/2025
7	WATER QUALITY MONITORING AND PRESERVATION	The company shall develop rain water harvesting structures to harvest the rain water for utilization in the lean season besides recharging the ground water table.
PPs Submission: Complied Rainwater collection pits have been provided for the storage of rainwater and percolation pits and recharge wells are provided for recharging the ground aquifer.		Date: 30/05/2025
8	Corporate Environmental Responsibility	The project proponent shall also comply with all the environmental protection measures and safeguards recommended in the EIA/EMP report. Further, the company must undertake socio-economic development activities in the surrounding villages like community

		development programs, educational programs, drinking water supply and health care etc.
PPs Submission: Complied All environmental protection measures and safeguards recommended in the EMP report have been complied. We have spent 5 percentage of the total project cost for Enterprise Social Commitment based on Public Hearing issues and local needs.		Date: 30/05/2025
9	Corporate Environmental Responsibility	Requisite funds shall be earmarked towards capital cost and recurring cost/annum for environment pollution control measures to implement the conditions stipulated by the Ministry of Environment, Forest and Climate Change (MoEFCC) as well as the State Government. An implementation schedule for implementing all the conditions stipulated herein shall be submitted to the Regional Office of the Ministry at Chennai. The funds so provided shall not be diverted for any other purpose.
PPs Submission: Complied Amounts of Rs. 38 Lakh / Annum capital cost and environmental pollution control measures were allotted to implement the conditions stipulated by the Ministry of Environment and Forests as well as the State Govt. along with the implementation schedule for all the conditions stipulated herein. The allotted amount was not diverted for any other purpose.		Date: 30/05/2025
10	Statutory compliance	A copy of clearance letter shall be sent by the proponent to concerned Panchayat, Zila Parishad / Municipal Corporation, Urban Local Body and the Local NGO, if any, from whom suggestions/representations, if any, were received while processing the proposal. The clearance letter shall also be put on the web site of the company by the proponent.
PPs Submission: Complied The copy of Environmental Clearance obtained has been sent to the concerned local body and the same has been published in the website.		Date: 30/05/2025
11	Statutory compliance	The project proponent shall upload the status of compliance of the stipulated environment clearance conditions, including results of monitored data on their website and shall update the same periodically. It shall simultaneously be sent to the Regional Office of the MoEFCC at Chennai. The respective Zonal Office of CPCB and the SPCB. The criteria pollutant levels namely; PM10, SO2, NOx (ambient levels as well as stack emissions) or critical sectoral parameters, indicated for the projects shall be monitored and displayed at a convenient location near the main gate of the company in the public domain.
PPs Submission: Complied We are regularly submitting the compliance of stipulated environmental conditions to the Regional Office of MoEFCC at Chennai, Zonal office of CPCB and SPCB along with the results of monitored data. The same has been updated in website periodically.		Date: 30/05/2025
12	Statutory compliance	The project proponent shall also submit six monthly reports on the status of the compliance of the stipulated environmental conditions including results of monitored data (both in hard copied as well as by e-mail) to the Regional Office of this Ministry at Chennai / CPCB / SPCB shall monitor the stipulated conditions.
PPs Submission: Complied We are regularly submitting the compliance of stipulated environmental conditions to the Regional Office of MoEFCC at Chennai, Zonal office of CPCB and SPCB along with the results of monitored data. The same has been updated in website periodically.		Date: 30/05/2025

13	Statutory compliance	The environmental statement for each financial year ending 31st March in Form-V as is mandated to be submitted by the project proponent to the concerned State Pollution Control Board as prescribed under the Environment (Protection) Rules, 1986, as amended subsequently, shall also be put on the website of the company along with the status of compliance of environmental conditions and shall also be sent to the respective Regional Office of the MoEFCC at Chennai by e-mail.
PPs Submission: Complied We are regularly submitting the environmental statement in Form-V to the concerned SPCB and the same has been updated in website periodically.		Date: 30/05/2025
14	Statutory compliance	The project proponent shall inform the public that the project has been accorded environmental clearance by the Ministry and copied of the clearance letter are available with the SPCB and may also be seen at website of the Ministry of Environment, Forests and Climate Change (MoEFCC) at https://envfor.nic.in . This shall be advertised within seven days from the date of issue of the clearance letter at least in two local newspaper that are widely circulated in the region of which one shall be in the vernacular language of the locality concerned and a copy of the same should be forwarded to the Regional office at Chennai.
PPs Submission: Complied Advertisement has been done about the environmental clearance in two local newspapers.		Date: 30/05/2025
15	Statutory compliance	Project authorities shall inform the Regional Office as well as the Ministry, the date of financial closure and financial approval of the project by the concerned authorities and date of commencing the land development work.
PPs Submission: Complied The date of financial closure and financial approval of the project, the date of commencement of land development work had been informed before the start of the project to the Regional Office as well as the Ministry.		Date: 30/05/2025
