Modi, Marcos unveil strategic push in Indo-Pacific theatre

ARCHIS MOHAN & AGENCIES New Delhi, 5 August

India and the Philippines on Tuesday signed nine agreements, including a declaration establishing a strategic partnership, as well as terms of reference for talks between their respective armed forces and cooperation on the peaceful use of outer space.

The strategic partnership was announced following talks in New Delhi between Prime Minister Narendra Modi and visiting Philippine President Ferdinand R Marcos Jr. The meeting came just a day after the Indian and Philippine navies wrapped up two days of joint exercises near the contested Scarborough Shoal in the South China Sea — a region that remains a flashpoint in the long-running maritime dispute between Beijing and Manila.

"India and the Philippines are friends by choice and partners by destiny," Modi said, standing alongside Marcos Jr. "From the Indian Ocean to the Pacific, we are united by shared values. Ours is not just a friendship of the past; it is a promise to the future.

He added that maritime cooperation between the two nations was "both natural and essential" for countries with strong seafaring traditions.

Later, at a media briefing, P Kumaran, secretary (east) in the Ministry of External Affairs, reiterated India's long-held position on the South China Sea, describing it as "clear and consistent", and emphasising

New Delhi's "abiding interest" in peace and stability in the region, which it views as part of the global commons. He also confirmed discussions are under way on developing submarine infrastructure in the Philippines.

Modi said bilateral trade has been growing steadily and had recently crossed \$3 billion. "To further strengthen trade ties, it is our priority to review the India-Asean freetrade agreement at the earliest," he said. We have also decided to work towards a bilateral preferential trade agreement."

India has also extended a one-year. gratis e-tourist visa facility to Filipino

Marcos said the two countries had "agreed to continue levelling up our collaboration in defence and security," and pointed to India's growing defence manufacturing capabilities as a potential contributor to the Philippines' military modernisation. "We will foster naval and coast guard interoperability via port calls, cooperative activities and capacity building in the maritime domain," he said.

India and the Philippines share strategic concerns over Beijing's growing assertiveness in the Indo-Pacific, Manila continues to face off with China over territorial claims in the South China Sea. Philippine military chief Romeo Brawner Jr has previously said Manila is considering further weapons procurements from India. The Philippines has already acquired a shore-based anti-ship missile system from BrahMos Aerospace in an 18.9 billion peso (\$329 million) deal aimed at strengthening its coastal defences.

Modi said the strategic partnership would pave the way for deeper engagement between their respective armed forces. He described the Philippines as an "important partner" in India's Act East Policy and its MAHASAGAR (Mutual and Holistic Advancement for Security and Growth Across Regions) vision.

"We are committed to peace, security, prosperity and a rules-based order in the Indo-Pacific region. We support freedom of navigation in accordance with international laws," the PM said.

Top court judges can't decide who is a true Indian: Priyanka after SC raps Rahul

Congress leader Priyanka Gandhi Vadra on Tuesday rallied behind Rahul Gandhi, her brother, over the Supreme Court's reprimand, saying it is not up to the judges to decide who is a "true" Indian.

She said her brother has the highest respect for the army and will never say anything against it. As the Leader of Opposition in the Lok Sabha, Rahul Gandhi is liable to ask questions of the government, Priyanka said.

The Supreme Court on Monday stayed the proceedings against Gandhi before a Lucknow court over his remarks on the army during his December 2022 Bharat Jodo Yatra.

The top court, however, censured the Congress leader, saying if he is a "true Indian," he would not say such a thing.

OBITUARY | SATYAPAL MALIK (1946-2025)

From loyalist to controversial critic

New Delhi, 5 August

Veteran politician Satyapal Malik's fivedecade-long political career spanned across multiple political parties and included several high-profile gubernatorial appointments before he transitioned into an outspoken critic of the very establishment he had served.

He served as the governor of four states - Bihar (2017), Jammu and Kashmir (2018), Goa (2019), and Meghalava (2020). But his most impactful assignment commenced in August 2018, when he was named the governor of Jammu and Kashmir. The tenure saw two significant events — the 2019 Pulwama attack in which 40 CRPF personnel lost their lives, and the August 5, 2019 revocation of Article 370 and the division of the erstwhile state into two Union Territories - Jammu and Kashmir and Ladakh.

From J-K, he had been relocated to Goa, where his relationship with the state government soured as he was openly critical of its Covid-19 response and accused it of corruption. His term in Goa came to an abrupt halt and he was posted to Meghalaya, his final assignment.

On retirement from governorship, he publicly confronted the central government over crucial matters, which included a contention that the Pulwama attack was an outcome of governmental indifference, and vocally backed the farmers' protests against the three central laws, contending that the government had not listened to them.

During his last days of life, Malik was also named in the CBI chargesheets in State Bank of India (Constituted under the State Bank of India Act, 1955)
